ABSTRACT

This compendium of data tables summarizes state enrollment data for six public universities in South Dakota -- Black Hills State University, Dakota State University, Northern State University, South Dakota School of Mines and Technology, South Dakota State University, and the University of South Dakota -- and 12 private institutions: Augustana College, Baptist Seminary, Dakota Wesleyan University, Huron University, Kilian Community College, Mount Marty College, National College, Oglala Lakota College, Presentation College, Sinte Gleska University, University of Sioux Falls, and Sisseton-Wahpeton College. Following some brief historical notes, a glossary, and two charts depicting Spring 1996 statewide enrollment and public university historical Spring enrollment, the 99 data tables are grouped in three sections: (1) State supported public university enrollment and private institution enrollment; (2) self-support public university enrollment; and (3) unduplicated total public university enrollment, which is defined as total enrollment comprising both state support and self-support students. In each of the three sections tables cover: spring semester comparison summaries; degree-credit, special/terminal, graduate, and first professional headcount enrollments; full-time equivalent enrollment; resident and nonresident enrollments for degree-credit, special/terminal, graduate, and first professional students; distribution by undergraduate degree; new registrant headcount and full-time equivalent enrollment; student age distribution; post-secondary technical enrollment; and student ethnic origin. Foreword

This report details enrollment in South Dakota colleges and universities as of the close of the second week of the Fall 1996 term. The tables present data in terms of headcount and full-term equivalent enrollment.

Historical Notes

1) National College began reporting enrollments in Fall 1973.
2) Prior to 1980, 16 undergraduate credit hours per semester equaled one FTE.
3) Prior to 1982, 9 credit hours at the doctorate level equaled one FTE.
4) The University of South Dakota-Springfield closed at the end of Spring 1984 semester.
5) Prior to Fall 1984, a standardized definition for residency status and geographic origin was not in use. The NCES definitionr were adopted in Fall 1984.
6) Oglala Lakota College and Sinte Gleska University began reporting enrollments in Fall 1984.
7) Yankton College closed at the end of Fall 1984 semester.
8) Kilian Community College began reporting enrollments in Fall 1985.
9) Freeman Junior College closed at the end of the Spring 1986 semester.
10) Prior to Fall 1987, enrollments were reported as of the close of the third week of the semester.
11) Prior to Fall 1987, Graduate Business Program enrollments at Ellsworth AFB were included in USD's enrollment totals.
12) Prior to Fall 1988, SDSM&T's enrollment totals included some non-state support courses offered on campus.
13) Prior to Fall 1988, Kilian Community College considered 12 quarter credit hours per quarter as a full-time student. Kilian changed from a three quarter credit system to a four quarter system and now considers 16 quarter credit hours as one FTE.
14) Sisseton-Wahpeton College and the North American Baptist Seminary began reporting enrollments in Fall 1980.
15) Oglala Lakota College did not report enrollments for Fall 1995, or Spring 1996.

Glossary of Terms and Phrases

Credit Hour - The unit by which an institution measures its course work and which can be applied towards a degree. For public institutions one credit hour equals one contact hour per week in a lecture situation for a normal 15-week semester.

First Professional Students - Students enrolled in a professional school or program which requires at least two or more academic years of college work for entrance and a total of at least six years for a degree. Students in programs requiring only four or five years beyond high school should be reported a undergraduates.

Full-Time Equivalent Student* - The total credit hours of all students registered divided by one of the below denominators to determine full-time equivalent enrollment at a given level.**

Geographic Origin - An indication of the place where the student resided, as determined by the student's legal address, at the time of application for admission to the institution. The determination of a student's geographic origin may be made at the time of the student's application for undergraduate status, or for a first professional program, or for graduate student status.

Graduate Students - Students who hold a bachelor's or first professional degree, or equivalent, and are candidates for a master's or higher degree.

Residency Status - A determination as to whether a person is legally a resident or nonresident of a specific geographic area. (NECS) in South Dakota a resident student must be a legal domiciliary of the state for at least 12 months prior to registration.

Self Support Enrollment - The headcount and/or FTE enrollment of students taking at least one course nor supported by state funds. Census date is the last day of regular classes on the Academic Calendar.

State Support Enrollment - The headcount and/or FTE enrollment of students taking at least one course supported by state funds. Census date is the 10th day of classes on the Academic Calendar.

Student - All students taking resident credit, irrespective of the time of day or work load of the student. Not included are: students in non-credit adult education courses; students taking courses at home by mail, radio or television; students enrolled only for "short courses"; students auditing a course; students studying abroad; and students in a branch campus, extension or correspondence course.

Special/Unclassified Students - Students taking undergraduate or post baccalaureate level credit courses regardless of intention concerning a degree, diploma or certificate although taking courses in regular classes with other students; this category also includes students who cannot be classified by academic level.

Unduplicated Total Enrollment - The total enrollment, comprised of state support and self support enrollment. NOTE: Some students enroll in both state and self support courses.

*Special Note for schools on the 4-1-4 Plan - Institutions under the 4-1-4 plan will have converted "unit" or "course" credits to "semester hour" credits for the purposes of this report. A "unit" or "course" quite often is determined to equal 3.6 "semester hours". The figures that are normally used in transferring credit between institutions apply. Some institutions have confirmed registrations for the one-month interim period, obtained during the Fall registration period. Other institutions register only for the four-month Fall term. As an example, those institutions registering students for the four-month term plus the one-month interim term might have the equivalent of 14.4 "unit" or "credit hours" to equal 15 "semester hours." The basis the institutions provide for computing FTE's as reflecting the most correct portrayal of enrollment status is used. Oglala Lakota College and Sinte Gleska University consider 12 credit hours per semester as a full-time student.

**At the Board of Regents institutions, full-time equivalency denotes 15 credit hours/semester for undergraduates, 12 credit hours/semester for graduate students (except medicine and law).
